## **Berriasian Working Group 8th meeting Prague (Czech Republic), October 26 -29, 2012**

Hosted by the Institute of Geology, the Academy of Science of the Czech Republic, and the Institute of Geology and Palaeontology, Charles University in Prague

### **First circular**

---

We cordially invite you to participate in a workshop on the Berriasian Stage and the Jurassic-Cretaceous boundary. This 8th meeting will be held from October 26 to October 29, 2012 in Prague (Czech Republic).

This meeting is intended to be multi- and interdisciplinary, focussing on precise correlations that contribute to stage and J/K boundary definition. We encourage you to attend and to present your scientific results, to take part in discussion of colleagues' contributions, and to plan future cooperations. We aim to create a constructive atmosphere that will promote scientific exchange, and hope that you will enjoy your stay in magical Prague.
